Dear Gregg and Roseen Builders Incorporated,

I just wanted to take this time to thank you for your help in building my dream orthodontic practice. I can not tell you how satisfied I am with my office. Not only did you work efficiently but your input and direction helped create a superior product.

When making my decision to select a contractor I sought someone who not only had the experience and expertise in a medical commercial build but one who could add a creative and residential touch. Once I reviewed Gregg's body of work I knew he was exact builder for my project.

For anyone planning to build a new business space or home, I give my sincere recommendation to work with Gregg Roseen and Roseen Builders Incorporated. I am sure you will be as satisfied with your experience as I have been.

Sincerely,

John T. Eli, DMD, MSD
